Matching Gift Program

Thank you for your support. Unfortunately, many alumni, parents and friends do not know that there is one more step in making their annual gift to Saint Michael's. Most employers have a **Matching Gift Program**, an important benefit for you and a critical opportunity for the College. Check to see if your company will match your gift at **www.matchinggift.com/smcvt**.

You could help Saint Michael's and increase the impact of your gift by simply obtaining and completing a matching gift form from your Human Resources Department and mailing it to us or by using your company's electronic gift matching system. Last fiscal year, this extra step helped raise $78,072 for the College.

Please allow your employer to join you in supporting Saint Michael's College and mail your matching gift form in today! You can mail your signed form to Saint Michael's College, Box 256, One Winooski Park, Colchester, VT 05439. If you want to update your employment information, you can email ccheney@smcvt.edu. Thank you for all you do for Saint Michael's College!
