

Saint Michael's College Discrimination and Harassment Policy

I understand that a copy of the Saint Michael's College Discrimination and Harassment Policy is located on the Saint Michael's College web site under **Human Resources, Online Forms**, in the Human Resources Office in the Klein Building and/or a copy is also available through my supervisor.

I will read this policy prior to beginning to work for the College, or as soon thereafter as is possible. If I have questions regarding this policy, I will contact a representative of the Human Resources Office by calling 654-2533 or by stopping by the HR Office.
