Campus Security Report

SAINT MICHAELS COLLEGE DEPARTMENT OF PUBLIC SAFETY

This report is provided to current students, faculty and staff under the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Title II, Public Law 101-542). This act requires post secondary institutions to disclose information regarding their campus security policies and statistics of criminal offenses as reported to the Campus Security Authority. This report is also provided to any applicants for enrollment or employment upon request, and the statistical data is reported to the U.S. Department of Education.

Campus Security at Saint Michael's College is the responsibility of the Department of Public Safety, which reports to the Vice President of Student Affairs. The department is comprised of twelve full time employees: director, nine non-sworn officers, an investigator/liaison officer and an administrative assistant plus four part time officers. Each officer has received extensive orientation and on the job training. Several officers have previous law enforcement experience and/or are certified in mountain bike patrol. The department provides annual and ongoing in-service training for its officers that includes, but is not limited to legal update, crime prevention, fire safety, human relations, diversity, stress management, conflict resolution, CPR and first aid.

Saint Michael's College is in the town of Colchester and thus falls primarily within the jurisdiction of the Colchester Police Department (CPD). All incidents on campus which are serious crimes are reported or referred to the Colchester Police. While there is no formal written agreement in place, SMC Public Safety and CPD routinely exchange information relative to the security and protection of the campus and surrounding neighborhoods. The campus borders the City of Winooski, and the Public Safety department maintains a cooperative arrangement with its police department as well.

The Saint Michael's Campus is patrolled 24 hours a day, 7 days a week by foot, mobile and bicycle officers who handle routine locking schedules, security, facility and fire safety checks, and respond to incidents or reported problems. Duty officers may be reached by calling the office (654-2374) during business hours or by calling the college dispatcher (654-2000, OR "0" from campus phones) at any time, day or night. In addition, the campus is equipped with 68 emergency/courtesy telephones connected directly to the dispatcher which identify the location of the caller. The Public Safety office is located on College Parkway across from the South entrance to the college in the Fire & Rescue Station. Office hours are 8:00-12:00 and 1:00-4:00 Monday through Friday.

SAINT MICHAELS COLLEGE DEPARTMENT OF PUBLIC SAFETY

Mission Statement:

Our objective is to maintain a safe environment and provide on-going support services for the Saint Michael's College community, through education and policy enforcement, partnership, understanding, recognition and diversity, dignity and respect; in support of the College's mission.

SAINT MICHAELS COLLEGE DEPARTMENT OF PUBLIC SAFETY

Campus Facilities

Student housing facilities on campus range from residence halls to suites to townhouse style apartments. All residential students are issued keys to their respective residences by the Student Life office. Regardless of where students reside, it is imperative that they protect themselves and their property by insuring doors in their control remain locked at all times. Residence Halls are locked 24/7.

Other facilities on campus (Library, Chapel, Sports Center, and Academic buildings) are locked and unlocked according to schedules determined by Facilities, the Academic Dean, and Athletic Department.

Crime Prevention and Awareness

Incidents or trends of incidents on campus which represent a potential threat to the safety and security of the members of the campus community are reported to the community through "Public Safety Alert" bulletins. These bulletins are transmitted over the campus e-mail system and are intended to inform the community in a timely manner so people may be aware and take steps to prevent themselves from falling victim to campus crime. The Vermont on-line Sex Offender Registry link is provided in this report as a resource to the campus community.

Saint Michael's College urges members of the campus community to report crimes or other issues that affect the quality of life on campus. For those who wish to remain anonymous there are two means available. The Safe Campus Tip Line can be called at (802) 250-LEAD (250-5323) or information may be given on line at our Silent Witness webpage. .

Other Crime prevention programs include 'Don't Walk Alone' where a student can be escorted across campus after dark by calling WALK (9255) from any campus extension, 'Operation Identification' which facilitates inventorying and engraving of personal property and Campus Watch. St. Michael's Public Safety has 3 RAD (Rape Aggression Defense Systems) instructors on staff who provide self defense classes for women. Sessions are held each semester. The Department has an officer assigned to crime prevention activities who is available for programming on request. Each Public Safety Officer is assigned to a residential area and Resident Director to work cooperatively with programming and problem solving.

Crime prevention in general is a partnership between the Department of Public Safety and the campus community. Through exchange of information and sharing of responsibility we must all work together to maintain a safe campus. In order to fulfill its mission, the Department of Public Safety relies heavily upon our community members to accept responsibility for themselves by securing property, locking doors, acting responsibly and in ways to not compromise safety and well being, and reporting problems so they may be responded to and corrected.

Campus Crime and Emergencies

Activities of a criminal and questionable nature and/or emergencies should be reported as soon as they are discovered by calling the Campus Emergency Line (2911 or 654-2911) or Public Safety Office (654-2374). Emergencies and reported crimes will be responded to immediately by the officer(s) on duty. If appropriate, the local police department will be summoned to assist and/or follow up. Depending on the nature of an incident, the duty resident director and/or resident assistant may be called to follow up.

All activities, routine or incidental, are documented by officers in the daily log or by incident report. Incident reports are maintained by the office of Public Safety for follow-up investigation, referral of students to the judicial process, and for statistical records. Students who are victims of theft/larceny or similar crimes, may obtain a copy of a report for insurance purposes only, otherwise campus incident reports are confidential records. A public log is maintained as provided for in the Clery Act, and the log is provided to the campus newspaper, the Defender, on a weekly basis.

SAINT MICHAELS COLLEGE DEPARTMENT OF PUBLIC SAFETY

All persons involved in criminal activity on campus are subject to arrest by local law enforcement and/or referral to the Student Life office for disciplinary action. The Student Code of Conduct and College Policies contains specific information and policies on the disciplinary and judicial process on campus, possession and use of alcohol and drugs, sexual misconduct and sexual assault.

Emergency Preparedness and Response

Saint Michael's College has a comprehensive Emergency Response Plan in place which covers a wide range of situations, including fires, bomb threat, leaks and spills, disturbances and weather. Emergency Response Charts are posted around campus for reference. The college has also developed a Hostile Intruder Community Guideline and a multi-mode emergency notification plan including Rave Mobile Safety to provide timely communications and instructions in the event of a serious campus emergency. This system is tested each semester. The college is committed to ongoing expansion of emergency communications and notifications capabilities.

Parking and Motor Vehicles

Parking and motor vehicle operation on campus are monitored and enforced by the Public Safety Department. Parking on campus is a privilege and all vehicles must be registered with the Public Safety office. Members of the community must park in designated areas only. Violators of parking regulations are subject to ticketing and/or towing at the owner's expense. Additional information can be found in the Traffic and Parking Regulations, available at the Public Safety office and in the Public Safety public folder.

Other services offered by the Department of Public Safety include lost and found, lock out assistance, bicycle registration, and fingerprinting for education majors who will student teach. Details on these services are available by contacting the office.

ALCOHOL AND OTHER DRUG POLICY

(see Student Guide and Code for complete policy)

Philosophy

A goal of Saint Michael's College is to encourage preparation of our students for living, learning and working as responsible members of our community. Given this goal, the College seeks two fundamental duties:

1. To provide an atmosphere in which students are encouraged to make informed and responsible decisions.
2. To demonstrate reasonable care to keep our campus free from conditions that create or increase the risk of harm.

Students should have the information, resources and support necessary to make responsible decisions regarding alcohol use and abuse. Information is available through Student Health Services, the Student Resource Center, the Student Life Office, the Office of Alcohol and Other Drug Education, and the Student Association enhance educational efforts regularly presented on campus. A variety of services are available from these offices as well for students who seek assistance for substance abuse problems.

Saint Michael's College seeks to construct a learning and living environment in which students will behave responsibly. Activities that promote or encourage

SAINT MICHAELS COLLEGE DEPARTMENT OF PUBLIC SAFETY

abusive drinking, such as drinking games, drinking paraphernalia, multi-liter containers or rotational parties are considered by the college to be irresponsible and in violation of College policy. Such activities hinder the College's attempt to eliminate conditions that create or increase the risk of harm.

ALCOHOL POLICY

Our policy is framed with the following considerations in mind:

1. Vermont State Law dictates that in order to legally possess or consume alcohol an individual must be 21 years of age.
2. Vermont Law, and therefore, Saint Michael's College:
 - Prohibits misrepresenting one's age for purposes of purchase or consumption of alcoholic beverages.
 - Prohibits those of legal age from serving an individual who is visibly intoxicated.
 - Prohibits those of legal age from purchasing for and/or serving alcohol to minors..
 - Prohibits operating a motor vehicle while under the influence of alcohol.
 - Mandates that any individual who is dangerously intoxicated to be taken into protective care.

DRUG POLICY

Vermont State Law and Saint Michael's College prohibits the use, possession or transfer of controlled drugs, and subjects the offender to fine and/or imprisonment (18 VSA 4205; 18 VSA 4224). Transfer under this section is defined as including both sale or gift. Any violation of these laws will be considered serious and dealt with accordingly. Any person possessing or transferring illegal drugs shall be subject to disciplinary action. Sale and distribution results in immediate dismissal.

The College also prohibits the possession, use or distribution of all types of drug paraphernalia. Possession of such paraphernalia will be considered sufficient evidence that a violation of the College drug policy has occurred.

SEXUAL MISCONDUCT POLICY

Philosophy:

Saint Michael's College gives the highest priority to the promotion of behaviors which respect the human dignity of every person. Sexual misconduct defined below articulates behaviors which are illegal under Vermont State Law. In matters relating to sexual conduct we encourage decisions consistent with personal conscience and Catholic moral teaching.

Definition:

Sexual misconduct is defined as non-consensual sexual activity which may include but is not limited to fondling, holding, kissing, sexual intercourse or other sexual conduct imposed on someone by a stranger or person he/she knows. The act of sexual assault can be committed against men and women. It is committed by intimidation, threat or force or in situations where the victim is

unable or unwilling to consent because he/she is physically helpless or mentally incapacitated for reasons including drug or alcohol consumption or is unconscious.

Reporting and Resolution Procedures:

Students who believe they may have been victims of sexual misconduct are encouraged to report the incident to a Conflict Mediator or a confidential resource on campus, i.e. Priest in Edmundite Campus Ministry, Personal Counselor in the Student Resource Center or a Nurse on our Student Health Services staff. Any one of these individuals will objectively provide the complainant with complete information regarding the various options available for addressing and resolving a sexual harassment issue. A list of conflict mediators is available in the Student Life Office, the Student Activities Office, the Edmundite Campus Ministry Office, the Office of the Vice-President of Academic Affairs, the Student Resource Center, Student Health Services and the Office of Human Resources.

An initial discussion will allow the student the opportunity to recount what has taken place, and discuss how best to proceed. The Conflict Mediator will review the College's formal reporting procedures and possible sanctions, the formal reporting procedures of the local police department and available medical and counseling resources.

In most cases, it is the complainant's decision whether to press a complaint or to continue with any form of resolution including mediation. Confidentiality will be respected insofar as it does not interfere with the College's obligation to investigate allegations of misconduct and to take corrective action where appropriate.

If the individual student elects to initiate a formal charge against the other student or group of students, the charges should be put in writing and filed with the Dean of Students Office. Such a charge would be handled in accordance with the College Judicial procedures outlined in this handbook. Students also have the ability and are encouraged to make a report directly to local authorities for their investigation.

It should be clearly understood that a victim of sexual misconduct may always seek legal recourse outside the College. If civil or criminal proceedings are filed, the College reserves the right to conduct its own investigation and proceedings not withstanding the status or resolution of any civil or criminal proceedings.

Saint Michael's College supports this policy through its educational prevention, counseling and medical support services.

Homicide
Sexual Assault

Burglary
Motor Vehicle Theft

They are to be categorized by locations of on campus (residential and other), non campus (college owned properties not on campus) and public property (adjacent to campus).

Additionally, the following crimes *that are found to be motivated by bias or hate* must be disclosed:

Simple Assault
Larceny
Intimidation/Harassment

These statistics are listed for the prior three calendar years.

IMPORTANT NOTE REGARDING THE FOLLOWING STATISTICS

There were several changes to reporting requirements as a result of the Higher Education Opportunity Act enacted August 14, 2008 (Public Law 110-315). The changes include additional reporting requirements of crimes motivated by bias or hate as well as disclosure of the nature of bias. The categories of simple assault, larceny, intimidation, vandalism and crimes involving bodily injury are limited to those categorized as bias motivated in this report. For the reporting requirement changes, there is not a retroactive provision in the act, therefore the additional statistics reported begin for the calendar year 2008.

SAINT MICHAELS COLLEGE DEPARTMENT OF PUBLIC SAFETY

Annual Fire Safety Report for 2008

This report is issued pursuant to Public Law 110-315, the Higher Education Opportunity Act dated August 14, 2008. This act requires annual disclosure of policies and statistics related to fire safety on campus.

Saint Michael's College places a high priority on fire safety; all residential facilities on campus meet or exceed established fire safety code requirements. Residence facilities include traditional halls, suite buildings, apartments and townhouses. The following represents the fire safety systems in the residential facilities:

<u>Facility</u>	<u>Alarm System</u>	<u>Room detectors</u>	<u>Sprinklers</u>	<u>Extinguishers</u>
Residence Halls	yes	yes	yes	hallways
Suites	yes	yes	yes	hallways/kitchens
Hodson Apts	yes	yes	yes	hallways/kitchens
EA Apts	no	yes	no	hallways/kitchens
Townhouses	no	yes	no	kitchens

All buildings with alarms report directly into the campus's 24 hour dispatch center, and all alarms automatically initiate a fire department response. Common area smoke and heat detectors are connected to the alarm systems, individual bedroom detectors alarm locally. Fire extinguishers are maintained by the Department of Public Safety staff and common area extinguishers are checked weekly.

The Student Code of Conduct and College Policies address the fire policy. Candles, incense, smoking, halogen lamps and heating devices are prohibited in residence halls. The only permitted cooking devices are microwaves and coffee makers. There are provisions for penalties for violations of fire safety regulations and for tampering with equipment or causing false alarms. Fire safety is incorporated into residence hall orientation. Fire drills are not regularly scheduled.

Unique to Saint Michael's College is its Fire and Rescue program. St. Michael's Fire and Rescue is a student staffed fire department and emergency medical services provider that operates under the Director of Public Safety providing fire protection and 911 ambulance services to the campus and surrounding communities year round. The fire unit is a battalion of the town fire department, responding to all calls for service in the community and is an integral factor in the town's favorable ISO class 3 fire protection rating.
