IMPORTANT THINGS TO REMEMBER WHEN SELECTING CLASSES:

1. **Check carefully for <u>prerequisites</u>, both in the catalogue and in the Academic Schedule. If prerequisites have not been met, you will not be allowed to register for the class.**

2. **Some classes are restricted to <u>majors and/or minors</u>. If you have not officially declared the appropriate major or minor <u>prior to Registration</u>, you will not be allowed to register for these classes. To officially declare a major or a minor, you must pick up the appropriate form(s) in the Registrar's Office, complete the form(s), obtain all necessary signatures, and return the completed form(s) to the Registrar's Office at least one week <u>prior to Registration</u>.**

3. **To register for a course that requires the "<u>Permission of the Instructor</u>," you must secure the permission of the instructor <u>prior to registration</u>. This can be done by obtaining the instructor's signature on a permission form *(available in the Registrar's Office*) and returning the completed form to the Registrar's Office <u>prior to registration</u> – or the instructor can e-mail, call or stop by the Registrar's Office and give permission for you to register for the course.**

4. **Refer to the catalogue and work closely with your advisor to select classes <u>and alternates</u> that will meet your major, liberal studies and minor requirements.**
