

## Students with Study Abroad Experience

### A. Number Who Studied Abroad for One or more Semesters by Academic Year \*

### B. Percentage of Graduating Class \*\*

\* Number of students who studied abroad for one or more semesters during academic year. AY2013 is a final number. AY2014 and AY2015 are estimated at this time.

\*\* The Percentage of Graduating Class includes all known "for credit" Study Abroad experiences including summer and winter sessions as well as short term faculty led programs. Class of 2015 includes May, and August, grads at this time.
