MY FAVORITE...

...Event on Campus: P-Day

...Meal in the Dining Hall: Thanksgiving

...Study Spot: Children's Room in Durick

...Area Restaurant when my parents are treating: Sweetwaters

*My best memories from
Freshman year:*

I had the opportunity my first semester to perform in the student-directed drama club show, Five Women Wearing the Same Dress. I was working with all upperclassmen and I felt incredibly welcomed into the Saint Mikes community and the drama club community. Being cast in that show gave me a sense of worth, and all of my cast mates helped make my transition to college a smooth and positive experience.
