

# SAINT MICHAEL'S COLLEGE

FOUNDED 1904

SCHOLARSHIP REPORT 2020-2021

*Attending Saint Michael's is a privilege, and I could not feel luckier that I was given such a generous gift. My scholarship lifted a weight off of me, and that in and of itself is priceless. Thank you for seeing my potential, and for investing in my future."*

**Hometown: Gansevoort, NY**  
**Majors: Psychology and Criminology**  
**Minor: Political Science**

### **I found my place at Saint Michael's**

Experiencing the COVID pandemic as a campus community has proven to me that Saint Michael's is not just a college, it is a home. I love how every past professor knows your name, how everyone holds the door for you, and how anyone is willing to help you or share kind words. Leaving after each semester makes me truly sad. If not for Saint Michael's, I may never have found my passion for Criminology (I just declared it as my major last semester!) nor would I have met my suitemates, who are also my best friends.

### **Looking to the future**

After college, I plan to either go to graduate school for Psychology or Criminal Justice or go into the workforce using my degrees. I am considering eventually applying to be an FBI agent. I am passionate about helping others, and the education I get from Saint Michael's will bring me closer to my goals.

**STUDENTS RECEIVING A  
NAMED SCHOLARSHIP**

*We are inspired as we read applications from students who share their stories, their hopes, and their goals with us. For many of these talented students, scholarship funding is a deciding factor in their ability to enroll at Saint Michael's. The financial needs of students are greater than ever before, and your support is essential to the College's ability to recruit and retain these bright students who might not otherwise be able to attend. Your gift eases the burden of financial hardship and allows deserving recipients to fully participate in the Saint Michael's experience, whether they're challenging themselves in the classroom, on the athletic field, at an internship, or through volunteer work. A gift to student scholarships is an investment in the leaders of tomorrow."*
