

Bergeron Wellness Center

Saint Michael's College is requiring that its students receive a vaccination for Covid-19 due to the threat that Covid-19 poses to individuals living and working on this campus, unless an exemption applies.

Applicable exemptions include those for students who cannot be vaccinated due to a disability or a sincerely-held religious belief. More detailed information about requesting such an exemption is provided below.

If granted an exemption, you will have the responsibility to test weekly for Covid-19 and provide proof of that testing to the Bergeron Wellness Center. So as to ensure the safety of yourself and those around you, if you test positive for COVID-19 you are required to take immediate action. You may also need to comply with guidelines around quarantine, masking, and limitations on gatherings and visitors that vaccinated students may no longer need to follow. The College will determine arrangements that will be made to accommodate students granted an exemption in accordance with applicable law, balancing the student's rights and the College community's legitimate safety considerations.

Disability-Related Requests for Exemption

Students seeking an exemption from the Covid-19 vaccination requirement for disability-related reasons must provide the following information:

This document is being submitted on behalf of the following student/patient:
