

Student Parking Information - Parking Regulations

Parking regulations are enforced 24 hours a day, seven days a week using a system of warnings, citations, and/or removal of vehicles by towing.

- All motor vehicles must be properly registered for campus parking.
- Parking for visitors or non-affiliates of the college needs to be registered by reaching out to parking@smcvt.edu.
- Motor vehicles deemed as inoperable for any reason will not be allowed campus parking or storage. Owners/operators of these vehicles must contact parking services immediately and are responsible for removing them from campus.
- When a parking sign conflicts with the parking map or information on this website, the sign will always supersede. In the absence of a sign at the entrance to a lot, refer to the parking map to determine parking regulations for that lot.
- All vehicles must be parked within the marked boundaries of one parking space or stall.
- Any area not specifically designated for parking is considered a no parking zone. Vehicles will be cited accordingly.
- Incorrect information submitted within any parking transaction such as but not limited to, permit sales or parking payment transactions, whether intentional or not, may constitute a violation.
- Permit holders must be aware that at certain times their assigned zone may not be reserved. These times include but are not limited to, days when special events bring large numbers of visitors to campus such as athletic events, commencement, move-in/move-out, parents, family & alumni weekend. There is no proration for the permit for these exceptions.
- Parking permits are the property of Saint Michael's College. Permits are not transferable to another user and may not be re-manufactured, resold, altered, or photocopied under any circumstances. Permits are valid only under the sole authorization of Saint Michael's College parking. Willfully falsifying information in any transaction including, but not limited to, registering, or attempting to register vehicles not following our regulations will constitute a violation. Vehicles found in violation of this regulation will be subject to ticketing and towing without notice, referral to the Office of Student Life, subject to the Student Conduct Board, and revocation of campus parking privileges.
- Vehicles parked in designated Handicap Parking or otherwise reserved spaces without the appropriate permit will be subject to citations and/or vehicle removal by towing.

- In situations involving extreme weather conditions or other unplanned events (e.g., severe snow or rain storms, fires or damage to adjacent structures, etc.), it may become necessary to temporarily relocate vehicles from their assigned parking zones. In these instances, notice will be forwarded to the affected students/faculty and staff via email, directing the vehicles to be moved to a designated area. Failure to comply with this request may result in ticketing and towing without further notice.
