2023-2024 Student Taxable Grants & Scholarships Worksheet

Student Name: _____ SMC ID# _____

Please verify the taxable student grant and scholarship aid **reported to the IRS as income and included in your and your spouse's (if applicable) 2021 Adjusted Gross Income.** Enter 0 if this does not apply to you, do not leave blank.

- **Please consider your response:** This worksheet asks for grant and scholarship aid which was reported as taxable income on your 2021 federal income tax return. Many grants and scholarships are tax free provided they meet criteria established by the IRS – do not report such tax free grants and scholarships.
- Do NOT report total 2021 grant and scholarships aid. Report only the amount of grants and scholarships which were taxable and included in your 2021 Adjusted Gross Income.
- Include taxable AmeriCorps benefits (awards, living allowances and interest accrual payments), as well as grant and scholarship portions of fellowships and assistantships if they were taxable and included in your Adjusted Gross Income.
