The “**Shakespeare in Performance**” course will be taught again during spring and summer (2024).

The 4 credit **Shakespeare course (335)** will focus on filmed versions of at least 5 plays and will meet every week on the SMC campus. This will be followed by the 2 Credit **On Stage (EN337)** course that will be taught in England. It will focus on an additional five plays: two performed by the Royal Shakespeare Company in Stratford-upon-Avon, and three others performed in London (Globe Theatre) or other venues in England. The Tour will take place May 20-June 1, 2024 (we will fly out 5/20) and be based at Wroxton Abbey outside of Banbury, north of London. Students wishing to enroll in the **On Stage** course must also take **Shakespeare 335** in the spring which will satisfy requirements in English, Theater, and the LSC.

Cost for room, meals, air fare, tickets/entrances, and tuition should be approximately \$3800. Need-based financial aid will be available.
